AttacMat Product Specifications

4.0 Use

The bi-level surface design of this mat promotes multi-directional brushing action and acts as a scraper for removing dirt, sand and other debris from shoes.

The specially compounded PVC backing makes this “stay-in-place” mat ideal for use in heavy traffic settings from front entrances to work areas.

5.0 Construction

The **AttacMat** is constructed of waffle patterned needlepunched blended PET/polypropylene surface with a compounded non-phthalate PVC backing with special additives to promote adhesion to hard floor surfaces.

6.0 Labeling

Labeling is to clearly identify product, size, and quantity. Americo brand or private label is available for this product.

7.0 Product Care

Daily vacuuming will remove top soil. Hand wash or remove stains with a water- based carpet shampoo. To prolong the life of this product it may be periodically washed using a hose with a pressure spray nozzle to remove soil. Position the mat in an inclined position to drain dry.
