No. 101 Heavy Duty Brown Octopus Pad Product Specifications

### 3.0 Use

This pad is designed for aggressive cleaning of floors, baseboards, and corners. Removes old finishes and wax build-up.

### 4.0 Construction

The No. 101 Heavy Duty Brown Octopus Pad is constructed of polyester fibers along with synthetic adhesives that will not be notably affected by water or cleaners used in standard floor maintenance.

### 5.0 Labeling

Labeling is to clearly identify product, size, and quantity. Americo brand or private label is available for this product.

### 6.0 Environmental Initiatives

- Polyester fiber used in our pads come from 100% post consumer and industrial recycled waste product.
- Full Cycle™**, formulated to biodegrade\* in a fraction of the time that it takes conventional floor pads once discarded into an active landfill.
- Water Based Latex Resins are used in the manufacturing process. No phenol-formaldehyde resins are used in our binding process.
- Shipping cartons contain at least 45% recycled material.
- Plant is operating under EPA approved Clean Air Permit.
