Beige Carpet Product Specifications

#### 3.0 Use

This pad is used to clean carpets. Recommended for use on any carpet machine or standard electric floor machine.

#### 4.0 Construction

The Beige Carpet Pad is made of 100% recycled polyester fibers and water based resins. This pad has been designed for use on both sides.

#### 5.0 Labeling

Labeling is to clearly identify product, size, and quantity. Americo brand or private label is available for this product.

#### 6.0 Environmental Initiatives

- Polyester fiber used in our pads come from 100% post consumer and industrial recycled waste product.
- Full Cycle™**, formulated to biodegrade\* in a fraction of the time that it takes conventional floor pads once discarded into an active landfill.
- Water Based Latex Resins are used in the manufacturing process. No phenol-formaldehyde resins are used in our binding process.
- Shipping cartons contain at least 45% recycled material.
- Plant is operating under EPA approved Clean Air Permit.
- In-house water treatment has reduced our waste water flow by 83%.

#### 7.0 Directions for Use

Spray commercial carpet cleaner on the desired carpet surface per the manufacturer's instructions. Machine with the Beige Carpet Pad until cleaner has been worked into the carpet. Use a wet/dry vacuum to remove excess moisture. Allow carpet to thoroughly dry before use.

#### 8.0 Product Care

To prolong the life of this product it may be washed using a hose with a pressure spray nozzle to remove soil. Allow pad to dry completely before using again.
