3.0 Use

For use as padding between the Griddle Cleaning Holder and the Griddle Screen. Adds life to the screen. Also, may be used for polishing griddles.

4.0 Construction

The Griddle Pad is constructed of polyester fibers along with synthetic binders that will not be notably affected by water or cleaners used in standard maintenance.

5.0 Labeling

Labeling is to clearly identify product, size, and quantity. Americo brand or private label is available for this product.

6.0 "Green" Initiative

- Polyester fiber used in our pads comes from 100% post consumer and industrial recycled waste product.
- Water Based Latex Resins are used in the manufacturing process. No phenol-formaldehyde resins are used in our binding process.
- Shipping cartons contain at least 45% recycled material.
- Plant is operating under EPA approved Clean Air Permit.
- In-house water treatment has reduced our waste water flow by 83%.
