(b) Weight may vary + or - 10%

3.0 Use

Very fine, general purpose hand pad. Ideal for finishing, cleaning, removing rust and preparing surfaces for painting.

4.0 Construction

The Maroon EcoPrep Hand Pad is constructed of synthetic fibers and thermosetting resins that will not be notably affected by water or cleaners normally used for floor maintenance.

5.0 Labeling

Labeling is to clearly identify product, size, and quantity. Americo brand or private label is available for this product.

6.0 Directions for Use

Use dry or with water or neutral cleaning agent for aggressive cleaning.

7.0 Product Care

To prolong the life of this product, it may be washed using a hose with a pressure spray nozzle to remove soil. To dissolve heavy soil or finish, this pad may be soaked in detergent or diluted stripping solution prior to washing.

8.0 Size

6 in. x 9 in.

Note: Due to the intrinsic properties of the material and variable conditions of use, there may be slight variations in the specifications and results. Please contact Americo with any questions or concerns.
