

# SAFETYFLO

Industrial and Kitchen Mats

Heavy Duty Drainage Mat  
for Food Service and Industrial Use

## PRODUCT SPECIFICATIONS

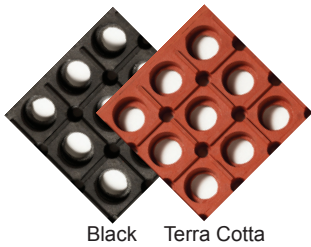

### 1.0 Description

The **Safety Flo** is an ideal mat for use in food service and industrial settings. It has openings for water and other liquids to flow through and keep surfaces dry and slip resistant.

### 2.0 Properties

Property	Value
Surface Thickness	1/2 in.
Surface Material	1 Piece/Nitrile Rubber
Surface Weight	186 oz. / sq. yd.
Colors	Black Terra Cotta
Packed	1 per case

### 3.0 Colors

Black Terra Cotta

### 4.0 Use

This mat adds comfort and safety to work areas. Water and other liquids flow through the opening on the mat making the surface of these mats dry and slip resistant. Ideal for use in kitchens, bars, food prep areas, waitress stations, dish washing areas, assembly lines and work stations.

### 5.0 Construction

The **Safety Flo** mat is constructed of a tough nitrile rubber compound with beveled safety edges and heavy duty construction.

Available in:

- Black - Multi-Purpose
- Terra Cotta - Grease Resistant

### 6.0 Labeling

Labeling is to clearly identify product, size, and quantity. Americo brand or private label is available for this product.

### 7.0 Product Care

Easy to clean by hosing off and allowing to air dry. A mild detergent and brush may be used for deep cleaning.

### 8.0 Standard Sizes & Weights

Size	Shipping Wt.
2 ft. x 3 ft.	10.46 lbs.
