Selecting the Proper Specialty Pad

Duet

One step to clean and polish floors

Cleans and polishes floors in one simple step, using a low speed machine. No chemicals needed...works using only water.

X-Out Melamine

Ideal pad for cleaning shallow grouted floors

Removes black marks from floors. Restores tile and grout to a "like new" appearance. No chemicals needed...works using only water.

TurfScrub

Ideal pad for cleaning deep grouted floors

The bristly texture of this pad gets down into deep grout lines and rough surfaces for thorough cleaning. Works using only water.

Microfiber Cleaning

Double-sided microfiber cleaning pad

Ideal for daily cleaning. Extends the floor finish life and will not damage the floor finish. Use both sides for extended value.

Microfiber Burnishing

Single-sided microfiber burnishing pad

Burnishes floors with soft, fine fibers that will not damage the finish. Eliminates finish powdering. Will not burn floors.

Beige Carpet

Carpet encapsulation cleaning pad

The Beige Carpet cleaning pad is specially formulated to be used with common carpet encapsulation cleaning systems.

Maroon Xtreme

Extremely Aggressive

Use for heavy-duty removal of floor finish. Also ideal for restoration (removal) of urethane coats on wood floors.

Maroon Eco

Very Aggressive

Use for removal of floor finish, wet or dry, without the need for harsh chemicals.

Maroon Wood Prep

Least Aggressive

Use for light cleaning on wood and to add scratch patterns in-between laying new coats of urethane.
