

*Light Weight Drainage Mat  
Food Service and Industrial Use*

## PRODUCT SPECIFICATIONS

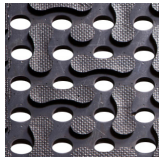

### 1.0 Description

The Aqua Flo mat is ideal for dry or wet environments. This light weight, flexible mat is perfect for use in food service and industrial areas. This mat offers an all-rubber construction with drainage holes that allow liquid and dirt to pass through. The anti-microbial additive helps to reduce the risk of bacterial growth.

### 2.0 Properties

Property	Value
Surface Thickness	3/8 in.
Surface Material	1 Piece/Nitrile Rubber
Surface Weight	144 oz. / sq. yd.
Colors	Black
Packed	1 per case

### 3.0 Colors

Black

### 4.0 Use

The Aqua Flo, with its non-slip surface, is oil, water and grease-resistant. Ideal for use in bars, kitchens, restrooms, locker rooms, saunas and machine shops.

### 5.0 Construction

The Aqua Flo mat is a durable and lightweight mat with all rubber construction. Beveled edges help prevent slips, trips and falls.

### 6.0 Labeling

Labeling is to clearly identify product, size, and quantity. Americo brand or private label is available for this product.

### 7.0 Product Care

Easy to clean by hosing off and allowing to air dry. A mild detergent and brush may be used for deep cleaning.

### 8.0 Standard Sizes & Weights

Size	Shipping Wt.
3 ft. x 5 ft.	16.00 lbs.
4 ft. x 6 ft.	26.00 lbs.

Note: Due to the intrinsic properties of the material and variable conditions of use, there may be slight variations in the specifications and results. Please contact Americo with any questions or concerns.
