Fiber Type	Synthetic
Binder System	Thermosetting Resins
Binder Application	Spray/Dip
Abrasive Application	Spray/Dip
Abrasive	Yes
Color	Maroon
Pack	48 per case*

*4 bags of 12

3.0 Use

This pad is designed to strip or deep scrub floors without the use of chemicals. It may be used either wet or dry. Used for repairing wood floor finishes and preparing for recoating.

4.0 Construction

The Maroon EcoPrep Octopus Pad is constructed of synthetic fibers and thermosetting resins that will not be notably affected by water or cleaners normally used for floor maintenance.

5.0 Labeling

Labeling is to clearly identify product, size, and quantity. Americo brand or private label is available for this product.

6.0 Directions for Use

Dust mop or sweep floors prior to stripping. Use pad until soil and finish are removed from floor or desired appearance is achieved. Pick up water residue with a mop, wet vacuum or automatic scrubber. Rinse floor and let dry prior to recoating or opening to traffic. If used dry, vacuum or dust mop the residue.

7.0 Product Care

To prolong the life of this product, it may be washed using a hose with a pressure spray nozzle to remove soil. To dissolve heavy soil or finish, this pad may be soaked in detergent or diluted stripping solution prior to washing.

8.0 Size

4.5 in. x 10 in.

Note: Due to the intrinsic properties of the material and variable conditions of use, there may be slight variations in the specifications and results. Please contact Americo with any questions or concerns.
