melamine scrub sponge

PRODUCT SPECIFICATIONS

1.0 Description

An open cell melamine based sponge designed for use in cleaning all water resistant above floor surfaces. Excellent for use in removing black marks from walls, doors, fixtures, etc.

2.0 Properties

Property	Value
Color	White with Green Polyurethane Sponge
Size	4.8" x 2.65" x 1.5"
Fragrance	None
Solubility	Insoluble in water
Phosphates	None

3.0 Direction for Use

Use the scrub sponge with water or neutral pH detergent. Ideally used to clean above floor vertical surfaces. Excellent for use in removing black marks or heavy soil.

4.0 Construction

The product is made with two layers of melamine (each .5" thick) sandwiched around a .5" thick polyurethane foam. The melamine is open cell allowing for penetration into irregular surfaces, like grout lines between tiles.

5.0 Packaging

24 individually wrapped sponges per case.
144 cases per pallet.

6.0 Labeling

Standard Americo case labels.
Private labeling on request.
