PRODUCT SPECIFICATIONS

1.0 Description

TrapEze® is a single-ply, double-sided disposable, adhesive coated dusting cloth that picks up dirt, sand, dust, hair and dander from hardwood and tile floors, baseboards, moldings, ceiling fans, bookshelves, cabinets, radiators and lamp shades.

2.0 Properties

3.0 Construction

Single-ply, nonwoven polyester fibers are coated on both sides with a proprietary adhesive. TrapEze® Dusting Sheets employ a patent pending design, applying more adhesive to the outside, rather than the inside, of each sheet; removing more debris than standard dusting, but leaving no sticky residue. And since it's reversible, when one side gets dirty, simply flip it over and continue cleaning.
